

"Chess is the touchstone of the intellect" - Goethe

Barry Noble

Professional Chess Educator

18181 NE 31st Court, Aventura, Fl. 33160 □ Tel. (305) 816.6349 □ E-mail: BNobleChessEd@aol.com

How private lessons will enhance individual skills and student's progress?

You probably know that chess improves academic performance, and only recently has the United States begun to recognize that chess is an excellent way to prepare students for life, because it teaches them to search for the best move before they act.

Private Lessons - Program Format:

Summary:

Mr. Noble covers all aspects of the game: basics, openings, strategy and tactics, positional play, analysis of games, end games and more according to the individual needs of the student. In addition, Mr. Noble is using the modern approach in Chess Computer Presentation, in order to extend the spectrum of the Royal Game for the benefits of our chess players.

Benefits:

Participating in this program will enable students to achieve three long-range goals by:

- X Developing transferable analytical and decision-making skills;
- X Engaging in chess research to build confidence in their ability to conduct academic research successfully; and
- X Gaining insight into the nature of competition itself, thereby preparing them for other competitive experiences.

Structure:

Private lessons (For one student)

Option - 1	Adult:	\$80/ 60 min
	Child (under16):	\$75/ 60 min
Option - 2	Adult:	\$120/ 90 min
	Child (under 16):	\$110/ 90 min

Semi private lessons (For two students)

Option - 1	Adults:	\$60/ 60 min
	Children (under 16):	\$55/ 60 min
Option - 2	Adults:	\$ 75/ 90 min
	Children (under 16):	\$ 70/ 90 min

Group Division/Family (Group of students)

Option - 1	Tree or four students	\$60/ 90 min
Option - 2	Five students and up	\$50/ 90 min
